- Claims 31-90 are pending.

Allowable Subject Matter

1. Claims 31-90 are allowed.

Regarding claims 61, 68, 74, 81 and 86, prior art of record does not disclose, in single or in combination, detecting, at a base transceiver station, that a mobile unit has entered a geographic area associated with a base transceiver station, wherein the mobile unit is not capable of determining that the mobile unit has moved between geographic areas associated with different base transceiver stations in combination with other limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
